

**Institute of Electrical and Electronic Engineers**

**Fort Wayne Section**

is

**Celebrating 100 years  
of Electrical, Electronics  
and Computer Engineering**

**August 14, 2008**

at the

**Grand Wayne Center**

**visit [www.ieeeftwayne.org](http://www.ieeeftwayne.org) for details**

**From the Wire to around the World**

Our featured presenter is Dr. Carolyn Porco, internationally known American planetary scientist recently featured on the NOVA PBS television series. She will be presenting a beautiful and dramatic multi-media extravaganza featuring unique photography from the Voyager, New Horizons, and Cassini planetary exploration probes – and, for the young people in attendance, she will describe the excitement of a career in high-tech work

## **Planned Attendance**

1000-1500

Distinguished Guests

IEEE Members and Guests

Other Engineering Professional Organizations Members and Guests

Interested Professionals, Community Leaders and Friends
